ul. Mokotowska 46 lok. 8, 00-543 Warszawa

Tel. 535 733 933, 535 833 933, 881 616 887

PRODUCTION CONTROL CERTIFICATE

Nr Z748

This certificate applies to the construction product:

Strength graded coniferous structural timber

A coniferous structural timber (edged, rough or planed wood) made of Scots pine (PNSY), Norway spruce (PCAB), European larch (LADC), Abies alba (ABAL) intended for load-bearing wooden structures.

Depending on the quality of the wood and the quality of processing - strength graded coniferous structural timber has obtained the following quality classes:

<i>Species of timber</i>	<i>Quality Class</i>
<i>Pinus sylvestris (PNSY)</i>	<i>KG, KS, KW</i>
<i>Picea abies (PCAB)</i>	<i>KG, KS, KW</i>
<i>European larch (LADC)</i>	<i>KG, KS, KW</i>
<i>Abies alba (ABAL)</i>	<i>KG, KS, KW</i>

covered by the Polish Standard:

PN-D-94021:2013-10

marketed or trademarked by:

FORENDA Sp. Jawna

34-452 Ochotnica Dolna, os. Hologówka 193A

and manufactured by:

FORENDA Sp. Jawna

34-452 Ochotnica Dolna, os. Hologówka 193A

This is to certify that

the manufacturer has implemented an internal production control system to ensure the maintenance of constancy of such performance.

This certificate was first issued on 25.03.2021 and it will remain valid until the Polish standard that has been used, methods of assessment and verification of constancy of performance, the construction product itself or the conditions of its production are changed in any substantial way, and provided that the certificate is not suspended or revoked by an accredited certification body.
